

# ENVIRONMENTAL POLICY

Effective 28/06/2024

## FOZ One IS COMMITTED TO:

- Conducting our operation in a commercially reasonable manner that protects the environment.
- Making prudent efforts to reduce or prevent pollution from our operations through the continual identification of environmental risks.
- Complying with local environmental legal & customers' requirements.
- Administering our Environmental Management System (EMS) to achieve continual improvement, including developing an operational framework to achieve environmental objectives & targets.
- Provide training, information, awareness, and education in preventing, when dealing with environmental.
- Communicating this policy to employees, suppliers & subcontractors working on behalf of FOZ One to the public.

The commitment of all employees and others related to **FOZ One** is necessary to ensure that regulatory policies regarding the environment must be complied with at all times.
