

# OCCUPATIONAL SAFETY AND HEALTH POLICY

Effective 28/06/2024

## FOZ One IS COMMITTED TO:

- Establish and maintain a safe and healthy working environment.
- Establish and maintain a system of Occupational Safety and Health management that is orderly, effective action in accordance with the relevant laws.
- Establish and maintain safe working procedures, systems and ensure that safety equipment is in good standing and appropriate condition in the event of an emergency.
- Provide training, information, notifications, and promoting awareness in preventing, when dealing with hazards in the workplace.
- Making prudent efforts to reduce or prevent industrial accidents from our operations through the continual identification of safety & health risks.
- Review the Occupational Safety and Health policy from time to time to ensure it is practicable and effective at the workplace.
- It is the employee's responsibility to comply with the OSH standards, rules, regulations, and orders whenever he or she uses safety equipment, personal protective equipment, or any other device or procedure provided by the company for their protection.

The commitment of all employees and others related to **FOZ One** is necessary to ensure that regulatory policies regarding Occupational Safety and Health must be complied with at all times.

**DATUK LEE FOOK YUEN**  
EXECUTIVE CHAIRMAN
